Fire Commission Rule Controls Trash, Lot Burning

Boundary Commission Revise, Approve Outline for Proposed Police District

Tentative boundaries for the proposed Campbell Police District were revised and approved Monday by the Santa Clara Boundary Commission, inoreasing the oroiginal 16-square-mile area to approximately 20 square miles.

Mrs Harold Drummond is chairman of the budget committee for the coming Campbell Community Service Fund drive. Her committee's recommendations for the drive budget was accepted at a recent meeting, thus establishing an $11,000 goal for the annual fund campa.gn. Others who worked on the 1951 budget were Mrs. Ruby McKee, Mrs. G. M. Youngman, Mr. Donald Lukehart and Mr. C. T. Mitchell. Mr. C P. Klassen has been named chairman for this year's drive.

Richard Olson, secretary of the commission, notified Rex A. Kaber of the Campbell Legion Patrol that petitions may now be circulated asking the Board of Supervisors to set a date for hearing on establishment of the district.

County Counsel Howard Campen will draw up the petition, Kaber said, and copies will be circulated next week. Fifty signatures are needed before the Board of Supervisors can be asked to call the public hearing.

Revised boundaries for the district are as follows:

On the north by Williams Road and Moorpark Avenue; on the south by the Santa Clara Valley Water Conservation district line, Wedgewood Avenue and Cambrian School District; on the east by the West Valley Hospital District line, Dry Creek Road, Sanitation District 4 and Meridian Road; on the west by San Tomas Aquino Creek, West Valley Hospital District line aond Sanitation District 4.

Boundaries were revised to conform to lines of established tax assessment districts.

Commissioon members are John Francisco, Robert B. Chandler, Nestor Barrett, Hayden W. Pitmand and Supervisor Arthur Brown.

Charline Kuykendall (left), winner of the $25 merchandise order last Friday night, receives her check from Janis Henley, Queen of the 1950 Old Settlers Day celebration held last February. The merchandise order was provided by the merchants' committee of the Campbell Chamber of Commerce as a special event of the first weekly Friday night shopping program in Campbell. Two winners, one for $25 and the other for $10, will be named tonight.

Two Awards To Be Presented Tonight At Second Friday Shopping Event; Three More Stores Join Program

Two prizes will be offered shoppers tonight during the second Friday night shopping event sponsored by Campbell merchants. Winners of the $25 and $10 awards will be named at 9:15 p.m. at Burnett's Appliance.

Merchants participating in the 6 to 9 p.m. store opening tonight are McConnell's Shell Service, The Fabric Center, Strong Paint Co., Nelson Grain and Supply Co., Campbell Furniture and Appliance, J. W. Shmidl & Hammer, refrigeration, J & A Market, Burnett Appliance, Horace's Store, Campter, McConnell Shell Service Station, Boys Wear, Star Family Shoes, Helen's Juvenile Shop, Dolly Ann Shop, M & M Ice Cream, Rachel's Women's Wear, Clark's Drug Store, House of Carpets, Hubert's Furniture, and the Campbell Press.

RESULTS

The columns of the Campbell Press was again held open this week for the names of the winners of the Trade-In-Campbell promtion sponsored by the merchants of this area. Winners of the $26.00 merchandise order was T. Anderson of 425 N. Winchested Road, Campbell, while M. Dorsett, 14 N. Central Avenue, Campbell took the $10.00 merchandise order offered this week as the second prize attraction.

3 New Stores

Through a mixup in information sources, three local stores which joined the Friday night shopping program this week were not listed in the Campbell Press Shoppers' Guide advertisement yesterday.

These three—The Fabric Center, McCononell Shell Service Station and Strong Paint Co.—will, with the other shops listed in the ad, be open from 6 to 9 o'clock tonight for Friday night late shopping, and tickets for the drawing will be available at all the stores.

Fine and Jail Term Established for Violators Of New Fire District Regulations Provisions

Commissioners of the Campbell Fire Protection District meeting in regular session Monday, passed and adopted Ordinance No. One of the district regulating the lighting of fires and clearing of lots in the district.

The new regulation is entitled "Ano Ordinance regulating the lighting of fire and the burning of combustible material in Campbell Fire Protection District of Santa Clara County; making suen action unlawful under certain circumstances; providing for written permits; providing for the cleaning of all lots or parcels of land; providing the cost thereof shall be a lien upon said property; and making a violation of provisions of this ordinance a misdemeanor."

Permits Requested

Written permits must be obtained for burning brush, stumps, logs, grass, slash, lumber, trash, dry grass, stubble, rubbish, litter or other inflammable material within the district, and the holder of such a permit must conform to provisions of the permit.

No permit shall be required where material to be burned is placed in small heaps or piles within the area of a plowed field and not closer than 100 feet to any structure or inflammable material; nor is a permit required if the material is burned in an incinerator between the hours of 6 a.m. and 12 noon.

Incinerator Regulations

Incinerators must be of fireproof material of adequate size to hold all material to be burned and must be covered with 1-3-inch mesh screen lid, or cover, smokestack or equivalent, and must be located at least 25 feet from any building or inflammable material.

Fireplace chimneys, stoves, stove pipes, flues, ovens, boilers, kettles, forges and other apperatus used in any building which may be dangerous as fire hazards may be inspected by the district inspector as often as necessary. The inspector may order suspension removal, repair or cleaning of same.

Lot owners or others having charge of any lot in the district shall not permit thistles, weeds, mustard or any indigenous or noxious grass, noxious trees or brush to grow or remain thereon. Persons failing to do so will be notified that the work must be done and, if the work is not done within 10 days of notification, the commissioner may order the work to be done and the cost will constitute a lien against the property for the full amount of cost of the work.

Violators of provisions of the ordinance will be guilty of a misdemeanor, punishable by a fine not exceeding $100 and-or 10 days in the county jail.

Members of the Fire Commission are Ethan Lanphear, Fred E. Jones and E. C. Merrill.

Readers may refer to the complete ordinance which has been published in this issue of the Campbell Press, on page three.

Scouts Present Jamboree Slides At Kiwanis Club

Three Boy Scouts of the Campbell district showed colored slides of their sojourn to the Second National Boy Scout Jamboree, Valley Forge, Pa. to the weekly gathering of the Kiwanis Club Tuesday noon.

Ron Hagelin, Bob Fox, and Bill McCullon took turns in presenting the pictures and explaining their meaning. During a program that lasted about 45 minutes, the Kiwanians were shown several hundred slides of this country's scenic wonder and 47,000 scouts at work and play during the 10-day jamboree.

Laurance Hill, chairman of the day, announced that Rick Wells, who is affiliated with Troop 13, Sano Jose, will show special colored film at next weeks' session.

It was strictly San Jose day according to the guest list. Among the honored visitors were Vern Oweno, Lt. Governor of District 12, Andy Anderson, Bill McCollough, Judge John D. Foley, Cnet Bartlett, Hal Halen and Cliff Anderson.

Another distinguished guest was Buddy Boreton, 10-year-old nephew of Carl Field.

Five local Kiwanians were awarded 100 per cent attendance tags at this week's meeting. They were C. P. Klaossen, 12-year perfect record; Ethan Lanphear, seven years; Mr. Hill, four years; Hans Hansen, three years; and Ray Fish, three years.

Courtesy stickers were given to the members. The stickers with the slogan, "Courtesy IS Fun—Try It" are placed on the rear car window.

Rotary Hears Members Speak;

Three Rotary Club members gave classification talks before their fellow Rotarians at the weekly meeting Monday afternoon.

Fred Jones Jr. spoke on his service station retail classification and presented a brief autobiographical sketch. Harry Reddicker and Hans Hansel followed suit on fruit-canning and Hunt Foods, respectively.

Henry Congable acted as chairman of the day.

The club barbecue will be held Monday at La Rinoconada Country Club at 7:00 p.m. Members and wives will play golf earlier in the afternoon.

Twenty-seven guests were honored at Monday's session.

Warren Confers With Kaber On Disaster Board

Rex Kaber of American Legion Post 596, Campbell, conferred with Governor Earl Warren this week on plans to establish an emergency disaster committee for California. The new group would operate during emergencies such as possible bombing or actual attacks by a foreign country.

Kaber was consulted on the matter in view of his work in organizing the Campbell American Legion Patrol which has received nation-wide attention. It is probable that the disaster committee for the state will be set up along the lines of the Campbell Legion Patrol, and Governor Warren has been offered use of the patrol's by-laws to serve as a guide in establishing the organization.

Herman Newman, past district commander for the American Legion, will be chairman for the peninsula division of the committee.

Auditor Approves JP Account Books

Accounts of retired Campbell Justice of the Peace John D. Blaine were found by County Auditor John M. Francisco to be in excellent order, the auditor reported to the County Board of Supervisors Monday.

Judge Blaine retired on August 1 because of ill health, and Justice of the Peace-elect Martin S. Walsh was appointed to complete the unexpired term.

Nurses and Aids Needed For Visit Of Blood Bank Unit

Forthcoming visit of the mobile unit of the Blood Bank to Hunt's Cannery on Thursday, August 31, was discussed at a meeting of the local blood bank committee held recently at the home of Chairman Bud Levenberg. Mrs. Ethan Lanphear, Mrs. N. J. Mahon and Ann Gardner were in attendance.

Nurses anod nurses' aids will be needed when the unit comes here. Anyone who will be available on that date and who is willing to help should contact Mrs. Mahon at Campbell 4751.

Crates Set Afire By Incinerator

Empty produce crates stacked against an incinerator in the rear of the Campbel Market, 262 E. Campbell Avenue, caught fire Thursday morning when the incinerator was ignited. The incinerator stands against the brick wall of the Campbell Theater in

(Continued on page 4)

Appeal Expected On Planners' OK For Novitiate

County Planning Commissioners granted application of the Sisters of Presentation Wednesday to establish a novitiate in Vasona Heights Tract; however, it is expected that an appeal of the decision will be filed.

Property includes 12 lots, numbers 20, 21, 22, and 40 to 48 in Vasona Heights tract, and 60 feet of lot 7 of Buena Vista Heights tract. It is located between Wildway and the Southern Pacific right-of-way.

Residents of the district protested the application during public hearings, anod it is expected that they will appeal to the County Board of Supervisors for reversal of the commission's decision.

PLANNING COMMISSION APPROVES PERMIT FOR SD ADVENTIST SCHOOL

Use permit to construct and maintain a parochial school on the north side of Rincon Avenue, 230 feet west of Dot Avenue was granted by the County Planning Commission Wednesday to the Seventh Day Adventist Church. It is expected that construction of the school will begin immediately. Rev. C. Bufano said the church school will be for day pupils only, and enrollment would average betweeno 25 anod 30 children. The site is one and one-quarter acres in size.

Second public hearing was set for September 20 on application of Fred Holton to rezone property on the northwest corner of Bailey and Bascom Avenues from R-4-H apartment house zoning to H-1 restricted commercial. The property includes the south half of lots 17 and 18 of the Bailey subdivision. The H-1 zoning provides for specific use permits with definite restrictions on the use of the property.

Local matters taken under advisement included:

R. B. Thompson's petition to reclassify the easterly and westerly sides of Central Avenue, Campbell, from single family residential to multiple family dwelling classification. Property covered by the petition runs from the northeriy line of Grant Street to a point approximately 480 feet northerly therefrom. Planners will consider the petition again at their September 6 meeting.

Stephneo Dorcich's petition to reclassify from an R-1 single family zoninog to R-2 duplex zoning property on the east side of Monroe Street between Stevens Creek Road and Scott Street. San Jose Planning Commission has recommended to the County commission approval of the request only if the lots have not already been sold and rezoning will not adversely affect other property. The lots are numbers 74 and 88 of Tract 744.

Public hearings were set for October 4 and November 1 on receipt of resolution of intention of W. B. Melone and L. F. Hoffman to rezone property on the southwest corner of the intersection of Saratoga Avenue and Prospect Road from single family residnetial to light commercial use.

Judge Sentences Drunk Driver

Walter Ralph Williams, 200 Sunnyside Avenue, Campbell, was sentenced Monday by Justice of the Peace Martin S. Walsh to 90 days in the County Jail for drunk driving.

Williams was arrested Sunday by State Highway Patrolman Rasmussen at Campbell Avenue and Harrison Avenue. Judge Walsh reported it was the driver's second offense and sentenced Williams to jail in lieu of a $200 fine. Williams' operator's license was suspended for one year.

Jeffrey Edsinger To Undergo Blue Baby Operation

Youngsters in the Apricot Way neighborhood gathered this afternoon at the home of Mr. and Mrs. Ward Edsinger, 522 Apricot Way, to honor their young playmate, Jeffrey Edsinger, 5½, who will undergo the delicate "Blue Baby" operation next Friday at the University of California hospital.

The group of some 30 youngsters presented Jeffrey with gifts which will help him while away the time during his stay at the hospital.

Fire District Buying Central Avenue Lot; Campbell Avenue Firehouse to Be Sold

Approval was granted application of Campbell Fire Protection Diostrict by the County Planning Commission Wednesday for a use permit to erect and maintain a fire house on the west side of North Central Avenue between Campbell Avenue and Grant Avenue.

The property listed in the application is the first lot at the rear of the Campbell Avenue-Central Avenue commercial zoning strip, and is in the name of Ellen Wakeman and Lucy Wakeman of San Gabriel. The house on the property was occupied until recently by Mr. and Mrs. George Baldwin who have moved to S. Second Street.

E. C. Merrill, secretary of the Fire Commission, said that as soon as the deed is received on the N. Central Avenue property, the board will advertise for bids to purchase the present firehouse on Campbell Avenue. Title search is now being conducted for the new property. Purchase price is $6,000. The sale is expected to be completed in about a week.

Several individuals have already expressed interest in the Campbell Avenue property and it is expected that there will be little difficulty in selling it. Construction of a new firehouse on the Central Avenue site would begin after sale f the Campbell Avenue lot is completed, Mr. Merrill stated.

$51,000 Suit Filed

Donald and Opal Baughman of Campbell have filed suit in Superior Court against Oswald N. Mikkelsen and Nora Joan Fink, asking $51,000 for damages to their houses and injuries to their daughter as a result of a collision between the cars driven by the two defendants.

Traffic Accidents

Frank Noyes of 465 El Patio Avenue, Campbell, suffered lacerations as the result of a collision Monday at the intersection of New Jersey and Foxworthy Avenues. Also cut in the crash of the two flatbed trucks was Charles Elbert, 40, of Redwood Estates.

20 Teachers Added to Elementary Schools

Twenty new members have been elected to serve on the teaching staff of the Campbell Union School District, Superintendent William C. Henley reported today. Campbell and Moorpark School each have eight new teachers. San Tomas has four.

New members on the Campbell faculty include Miss Jean Fitzgerald of San Jose, a 1950 graduate of San Jose State who will teach kindergarten. Miss Mary Ludeke, first grade teacher. Miss Ludeke, who served with the Wacs in the last war, comes from Oakland. She taught in San Jose schools last year.

Two other new members of the Campbell staff are also 1950 graduates of San Jose State. They are Miss Yvonne DePuy of San Carlos, second grade; Miss June Winter of Ione, homemaking.

Duane A. Beaubien, new sixth grade teacher, is from Los Angeles and a 1950 graduate of Los Angeles State College. Ralph Dill, seventh grade teacher, from Chowchilla, has been a teacher in Ash-

Mrs. Jane Sullivan, first grade teacher, comes from Torrance. Mrs. Hazel Volle, view School, Madera County.

from San Jose, was formerly a teacher in Illinois. She will teach second grade.

Moorpark Staff

Six new teachers at Moorpark School are 1950 graduates of San Jose State. They include Miss Mary Jo Graefe, from Aptos, kindergarten; Miss Lois Topham of Tulare, second grade; Miss Coleen Briscoe of Los Angeles, second grade; Mrs. Dale Ruf of Santa Clara, fourth grade; William Lorimer of Santa Clara, fifth grade; Bruce Bondelie of Cotati, sixth grade.

Mrs. Doris Parsons, new second grade teacher, is from Los Gatos. She has been a teacher in Jefferson Union School, Santa Clara County. Mrs. Catherine Haliwell, third grade teacher, has been substituting in the Campbell Schools.

San Tomas

New teachers at San Tomas School are: Mrs. Doris Hubbard of San Jose, first and secnd grades, teacher in San Jose last year; Mrs. Pauline McKinney, first grade, from San Jose and formerly a teacher in Compton; Miss June Jorgensen, second grade, a San Jose State College graduate, from Los Gatos; Miss Joan Pfeiffer, sixth grade. Miss Pfeiffer has just returned from Japan where she was a teacher in a demonstration school at San Francisco State College.

Vice Principals

Henley also announced several changes in the existing staff. A new vice principalship at Moorpark School will be filled by Marcus Swengel, who has been sixth grade teacher there. Neal Royer, eighth grade and physical education teacher at Campbell, will serve as Campbell's vice principal next year.

New special teachers are Mrs. Ann Meridier, formerly fifth grade teacher at Campbell, replacig Miss Ruth Metzger who resigned last year. Mrs. Eda Belle Little, a former sixth grade teacher at San Tomas School, is the new speech teacher for the district, replacing Mrs. Barbara Aten, who resigned last year. John Barrett, sixth grade teacher at Moorark school, will assist in the music program as special teacher in instrumental music.

Social News of Local Interest

CAMPBELL REGISTER

MR. AND MRS. CLARENCE HELMBOLD and their three children spent a long week-end this past week at Yosemite Lodge.

* * *

RUSSELL NEAL KENNEDY has won recognition at California State Polytechnic College for excelence in scholastic achievement, and has been placed on the special President's Honor List for the 1950 spring quarter. The list was released this week by President Julian A. McPhee of the college as final plans were getting under way for the beginning of the regular fall quarter on September 13. Kennedy, son of MR. AND MRS. E. R. KENNEDY of 201 S. Winchester Road, is in his second year of college. He attended Washington State College prior to serving two years in the army, and was also a student at San Jose State College. At the close of the war Kennedy held the rating of private at the Fort Sheridan, Illinois, separation center where he served as a clerk. He is majoring in agriculture at Cal Poly and, when he graduates, will specialize in development of land for agricultural purposes. He is currently working in this field at his father's ranch near Willows, levelling the land for permanent pasture.

* * *

Grandchildren of MR. AND MRS. J. W. KNOWLES are visiting them for three weeks. The two youngsters, GEORGIA AND DONNA HARTMAN, are the children of Mr. and Mrs. B. W. Hartman Jr. of Richmond.

* * *

MRS. JAMES GLEED left Wednesday to visit her sister, MISS MARJORIE GRAFF in Los Angeles for a week.

* * *

MISS ELEANOR McCONNELL, daughter of MR. AND MRS. I. O. McCONNELL of Carlyn Avenue, left Thursday for Germany where she will teach for a year in a school for children of U.S. occupation forces. She will report first to Heidelberg for assignment to one of the schools. Miss McConnell is on a year's leave of absence from the San Carlos school where she has been teaching.

* * *

MR. and MRS. WILLIAM REDFIELD of Waverly, Iowa, are currently visiting at the home of their grandson, JIM DOWNING of Winchester road.

* * *

MRS. ETHAN LANPHEAR is 'on the mend' after having been on the sick list with inner ear trouble.

* * *

MRS. NORA MINTKENBAUGH of the M&M Ice Cream store, and her friend, MRS. ARTHUR MELLEGE, left Friday by train for a month's visit with Mrs. Mintkenbaugh's brother-in-law and sister, MR. AND MRS. DENNY WALSH of Cincinnati, Ohio.

Katherine Bower, Jacklyn Almada Add Names To Engagements Roster

Two Campbell girls have joined the list of those for whom wedding bells will ring soon. They are Miss Katherine F. Bower, daughter of Mr. and Mrs. P. L. Bower, and Miss Jacklyn Almada, daughter of Mr. and Mrs. John C. Almada.

Miss Bower will become the bride of Robert E. Loveday on October 22 at the Campbell First Methodist Church. The benedict-elect, son of Mr. and Mrs. Walter F. Lamb of Campbell, and his bride-to-be both attended local schools.

Miss Almada is in her senior year at Campbell Union High School. Her fiance is Norman Weitzel, son of Mr. and Mrs. H. A. Weitzel of Campbell, and a student at the University of Santa Clara.

St. Lucy's Youth Plan Barbecue for Parish Hall Fund

St. Lucy's Catholic Youth organization is sponsoring a chicken barbecue to be held Sunday, August 27, at Matasci Ranch off Almaden Road. Purpose of the event is to raise funds for the building of a new parish hall.

The old parish house was razed by fire some time ago.

With the future hall the youth group hopes to organize a youth center for Campbell.

Events for the barbecue day will include chow time at 2:30 p.m., with games and other special entertainment to follow. There will be dancing until 12. Awards for the games are being contributed by a number of local merchants.

Kitchen Shower Fetes Bride-Elect Katherine Bower

Mrs. Laura Page entertained at her home at a kitchen shower honoring Miss Katherine Bower, bride-to-be of Robert Loveday.

After the honoree opened the many gaily wrapped kitchen gifts, each of the 25 guests was asked to write a line of advice to the bride-elect, after which Miss Bower read them aloud to the amusement of the gathering.

Dainty refreshments were served from the lace covered table where the centerpiece was of pink and white flowers flanked by pink tapers.

Among the guests was the future bridegroom's mother, Mrs. W. P. Lamb. Out of town friends present were Miss Bower's aunt, Mrs. J. K. Wade from Dos Palos and her niece, Miss Dorothy Brown of Bradley, California.

Mrs. Fred Fellman served cake and ice cream, and Mrs. P. L. Bower poured.

NETOPS TEAM TO BE HONORED AT SUPPER FETE

Netops Council, Degree of Pocahontas, will have a pot-luck supper on Friday, August 25, at 6:30 p.m., preceeding its regular meeting in the Campbell IOOF Hall. The supper will honor members of the Netops softball team.

Drill team practice will begin in preparation for the official visit in October.

At the council's business meeting Friday night in the IOOF Hall, Blanche Gilpatrick, newly installed Pocahontas, and her new corps of officers, took charge of the session. The group voted to sponsor Dolores Boker, a dancer in an amateur program to be given in the Montgomery Theater, Civic Auditorium in San Jose during the forthcoming state convention of the Degree of Pocahontas and Improved Order of Redmen.

J. O. White of Zanetta Council invited members and their friends to attend a party to be given by Wetonka tribe in the Los Gatos IOOF Hall Thursday evening.

Theme of Friday night's meeting was Get Acquainted Night, which was highlighted by a farewell party for Gail Plymale who is leaving for Ventura. Vivian Johnson and her committee served refreshments at the close of the meeting.

Waterless Cooking Demonstration At Hardware Store

A special demonstration of healthful "waterless" cooking is scheduled for Friday, August 25, at Campbell Hardware Company, 255 E. Campbell Avenue. The demonstration will be conducted by an expert from the Revere Ware Test Kitchens at the factory in Rome, New York.

Utensils to be used in this informative exposition will be the well known Revere copper-clad stainless steel ware. This is the original cookware having a bright, easy cleaning stainless steel body with the outside bottom clad with thick copper for fast, even heating.

"Waterles" cooking is a low heat method of cooking foods with a minimum of water. It is said to preserve the vitamins, minerals and full natural flavor of meats, vegetables and other foods. As very little heat is required by this method, there is a substantial saving in fuel.

Actual foods will be cooked during the demonstration and everyone with a cooking problem is invited to attend the session and discuss it with the Revere Ware expert.

BPWC Rummage Sale Scheduled Next Weekend

Campbell Business and Professional Women's Club members are scouting around to find valuable clothes, kitchenware and white elephants, plus discards to be sold at their rummage sale next Friday and Saturday, August 25 and 26, at 375 E. Campbell Avenue, next to J & A Market.

Another event on the club calendar is the joint dinner meeting with Santa Clara, Willow Glen, Las Tres Bes, Mountain View and Sunnyvale clubs at the Little Village Inn, Los Gatos, next Tuesday evening at 7 o'clock.

Bay District President Anita Madsen will be the guest of honor. Gwendolyn Steinodorf will preside.

Sharon Parker Completes Term As First Runner

Great First Runner Sharon Parker of the Degree of Pocahontas will relinquish her office to her successor on Thursday, August 24,

SHARON PARKER

at the Great Sun Session in San Jose, when the new Great First Runner will be chosen.

Her supporters in trailing were Tena Pawsey, Mazie Hazelton, Russie Fulton, Sharon Chambers, Alice Pawsey, Henry Zwinge and Jessie Zwing. GFR Parker's travels took her to the south, west and north. She made 21 official visits and six representative. She took in all the councils up and down the Peninsula and in the bay area.

Past Pocahontas To Have Mobile Entry In Parade

Details of a mobile entry in the Great Sun session parade was discussed by the Netops Past Pocahontas Club at a meeting recently at the home of Sharon Parker on Thornton Way.

The parade will be part of opening day ceremonies of the annual state convention of all Pocahontas and Redmen in San Jose, August 20 through August 24.

The parade starts at 2:00 p.m.

WSCS RUMMAGE SALE AUG. 25, 26

Volunteers to help with the rummage sale to be given Friday and Saturday, August 25 and 26 by the Women's Society for Christian Service are asked to call Mrs. Clara Baldwin, Campbell 2359. The event will be held in the Campbell IOOF Hall.

Those wishing to contribute rummage may phone Mrs. Herman Rice at 3320.

Publicity chairman for the Methodist Church group's annual sale is Mrs. Clarence Helmbold.

TRANQUILITY IS GARDEN CLUB'S ENTRY THEME

"Tranquility" will be the theme of the Campbell Garden Club's entry in the Santa Clara County Fair next month. The title was chosen at the club's round-table discussion Wednesday afternoon in the What Not Shop patio. Mrs. A. F. Leal and Mrs. Peter Heinzen served as co-chairmen for the meeting.

Assitants are needed to help lay out the entry. Anyone who can help is asked to call Mrs. Leal at AX 6-1115.

Ada Rebekahs Enjoy Program By Theta Rho Trio

Theme for the Ada Rebekah Lodge 22 meeting Tuesday in the IOOF Hall was Theta Rho night. Members of Theta Rho provided the entertainment which featured a string trio consisting of Beverly and Joyce Klassen and Mardell Sanders, who presented a program of trio selections.

Noble Grand Helen Wrigglesworth presided, assisted by Vice Grand Melba Penhall. Business of the evening concerned the lodge rummage sale to be held this Saturday, August 19, from 10 a.m. to 6 p.m at the IOOF Hall. Those unable to take their rummage to the hall should call the noble grand at AX 6-2852.

A letter was received by the lodge from Montrose Lilly, deputy grand master of District 20, announcing the annual basket lunch picnic to be held Saturday, August 26, at 6 p.m. in Los Gatos Memorial park. Entertainment and dancing will follow the supper.

Next lodge meeting will be on Tuesday, September 5, and will be the first formal meeting of the term when the lodge will be honored by the official visit of Hazel Thomsen, deputy president of District Three, and her marshall, Aileen Priest, of Saratoga.

Past Noble Grands Club will be the committee for the evening, with Ruth Livingston as chairman.

Bonnie Silberbauer was chairman for this week's meeting, and her committee served refreshments in the banquet hall.

Try the Campbell Press for your JOB PRINTING Needs!

MRS. W. SAVEKER TO ENTERTAIN WOMEN'S SERVICE CLUB WED.

One of the outstanding social events on the Campbell Women's Service Club calendar will be the canasta party at the home of Mrs. W. R. Saveker, 69 Topeka Street, San Jose, next Wednesday evening, August 23.

Mrs. Saveker is a charter member of the club, but has become an associate member due to the press of her duties as a member of the staff of the County Board of Education. She was formerly a member of the teaching staff at Campbell Elementary School.

Since Mrs. Saveker has been unable to attend regular meetings of the service club, she is giving the party to become acquainted with new members of the group and to renew her friendships with members of long standing.

Members in need of transportation to the party are asked to phone Mrs. Frank Richardson, club president, Campbell 2838.

Netops Council To Choose Deputy

A special meeting of Netops Council 247 was called Tuesday night at the home of Alma Fanning, according to Tina Pawsey, publicity chairman.

Purpose of the session was to discuss a new deputy. Term of office will be for one year as of this month.

The deputy will be chosen after the Great Sun Session convention in San Jose.

Meet Adam Lauber and friends...

They're putting $800,000,000 into new gas and electric facilities for you

Adam Lauber, tailor in Redding, invests part of his savings in P. G. and E. stock and, along with 164,000 other stockholders, becomes an "owner" of P. G. and E. No individual, however, owns as much as 1/10th of 1% of P. G. and E. stock.

If you've been thinking about the cost of new P. G. and E. dams, power plants and transmission lines, then you'll realize how important these people really are. For it is their investment and that of thousands of others in P. G. and E. stocks and bonds that is financing the Company's vast post-war building program. It is the savings of these stock- and bondholders that provide the $800,000,000 necessary to produce more power and heat for fast-growing California.

From their investment come other benefits: A payroll of almost $69,000,000 flowed into 385 local communities last year, and provided 16,572 people with steady jobs at good pay. Schools, roads and cities also benefited from P. G. and E. taxes which, last year, were more than $40,000,000!

Finally, this investment makes it possible for P. G. and E. to carry out a building program which will double our pre-war electric capacity by next year...a program to assure ample power and gas to you and 5,000,000 other Northern Californians. And rates are among the lowest in the nation.

Myron E. Harman, Redwood City, Insurance. He is another "owner" of P. G. and E. More than 360 insurance companies invest in P. G. and E.—to the extent of almost a million and a half shares. They, as does Myron Harman, believe in the future of the West.

Joe Lagomarsino, Jackson . . . one of several thousand employees who are also "owners". He's worked for P. G. and E. since 1916, and today is foreman of our Electra Power Plant. He has been saving his money by buying P. G. and E. stock for 34 years.

Zenobia Hampton, Sonora, has been an "owner" of P. G. and E. for 25 years. Her investment not only helps support her, but helps develop the county in which she lives. P. G. and E. pays almost one-third of the total property taxes in Tuolumne County.

BPWC To Attend Joint Dinner

An Executive Board meeting of the Campbell Business and Profesional Women's club was held recently at the Third Street home of Frances Cousins, chairman of the Neighborly Committee.

It was announced that reservations are now being made to attend a joint dinner at the Little Village Inn in Los Gatos August 22 at which time the guest of honor will be Bay District President Anita Madsen. Clubs who will participate in the joint dinner include Campbell, Willow Glen, Los Tres Bes, Santa Clara, Mountain View and Sunnyvale.

Auxiliary Colors To Be Displayed

New colors of Lt. Byron C. Lanphear Auxiliary, Veterans of Foreign Wars, will be used for the first time tonight at the auxiliary meeting at 8 o'clock in the library building. Officers of Major Randolf T. Zane Auxiliary will demonstrate floor work for instruction.

Delegates to the district meetting in Mountain View this Sunday are Francis McCurdy, Fern Kallum, Ethelyn Gagliasso and Auxiliary President Ona Chubb.

Rummage Sale By Service Club

Campbell Women's Service Club is holding a rummage sale this Thursday, Friday and Saturday, August 17, 18, and 19 at the Methodist Church parish house on Campbell Avenue.

Posters announcing the sale were made by Reginald Greenbrook. Proceeds from the sale will be divided, with half the profits being contributed to Campbell projects, and the balance remaining in the service group's treasury. Last year the group contributed $50 to the Community Service Fund, $25 to the local Red Cross fund, purchased a flag for a local boy scout unit, contributed to the Buc's Cove fund, sent a local Boy Scout to camp and made up several Christmas baskets. All funds for these projects are raised by the annual rummage sale.

Board Postpones Action On Church Permit Request

Final decision on whether San Jose Watch Tower Corp. will be given permission to erect a cottage-type church on Stevens Creek road at Tyler avenue was held over until August 28 when the County Board of Supervisors met recently.

The Watch Tower Corp. was appealing decision of the County Planning Commission to deny the church permission to build on the Sweethome Manor site. Attorney Phillip Adams, San Francisco, representing the church group, denied that the church would create a traffic hazard, that assemblies would be held only three times a week, on an average, and that the residential area already has commercial uses.

Nestor Barrett, director-secretary of the planning commission, told supervisors the commission was unanimously opposed to the church permit because it would create a traffic hazard, and the area is zoned for commercial use only.

Home, School Club Rummage Sale

Union Home and School Club held a successful rummage sale Wednesday at the Campbell IOOF Hall, with Mrs. W. J. Faria serving as chairman. Proceeds will be used for the Union School Drum Corps.

Phone 3442 for Printing Needs!

LEGAL NOTICE

ORDINANCE NO. 1

AN ORDINANCE REGULATING THE LIGHTING OF FIRE AND THE BURNING OF COMBUSTIBLE MATERIAL IN CAMPBELL FIRE PROTECTION DISTRICT OF SANTA CLARA COUNTY; MAKING SUCH ACTION UNLAWFUL UNDER CERTAIN CIRCUMSTANCES; PROVIDING FOR WRITTEN PERMITS; PROVIDING FOR THE CLEANING OF ALL LOTS OR PARCELS OF LAND; PROVIDING THE COST THEREOF SHALL BE A LIEN UPON SAID PROPERTY; AND MAKING A VIOLATION OF PROVISIONS OF THIS ORDINANCE A MISDEMEANOR.

The Board of Fire Commissioners of Campbell Fire Protection District of Santa Clara County, State of California, do ordain as follows:

SECTION 1:

It shall be unlawful for any person to set fire to or burn any brush, stumps, logs, grass, slash, lumber, trash, dry grass, stubble, rubbish, litter or other inflammable material within any portion of the Campbell Fire Protection District of Santa Clara County unless such person first obtains a written permit so to do from the Inspector of the Campbell Fire Protection District, which permit shall be issued in writing and shall state the times at which and the terms and conditions subject to which said fire shall be permitted or said burning shall be done. Provided, however, no such permit shall be required where the material proposed to be burned is placed in small heaps or piles within the area of a plowed field and not closer than one hundred (100) feet to any house, barn, corral or other structure or any dry grass, brush, grain, stubble or other combustible or inflammable material. And further providing that no such permit shall be required if such material is to be burned in an incinerator such as hereinafter described in the daytime between the hours of 6:00 o'clock in the morning and 12:00 o'clock noon.

SECTION 2:

Every incinerator mentioned in Section 1 of this Ordinance shall meet the following specifications:

It shall be made of some fireproof material and be of adequate size to hold all material proposed to be burned therein, and shall have a 1/4 inch mesh screen lid or cover over the outlet, smoke-stack, or equivalent thereof, and shall be located at least twenty-five (25) feet from any building, fence, property line or other structure or dry grass, stubble, grain or other combustible or inflammable material.

SECTION 3:

The Inspector of the Campbell Fire Protection District shall inspect or cause to be inspected, as often as may be necessary, all fireplaces, chimneys, stoves, stove pipes, flues, ovens, boilers, kettles, forges or any apparatus used in any building, factory or business which may be dangerous in causing or promoting fires. He shall make such orders as may be necessary for the suspension, discontinuance, removal, repair or cleaning of the same as may be required for the safeguarding of life and property from fire and for the enforcement of this Ordinance.

SECTION 4:

No person owning or occupying any lot or premise, and no owner, agent, lessee or other person having charge or control of any lot, parcel or premise within the Campbell Fire Protection District shall permit thistles, weeds, mustard or any indigenous or noxious grass, noxious trees or brush to grow or remain thereon.

SECTION 5:

Whenever the owner or occupant ,agent, lessee or other person having charge or control of any lot or parcel of real property within said District fails to remove such grasses, weeds or plants hereinabove referred to, it shall be the duty of the Commissioners of said Fire District to give written notice of such failure to comply with the provisions of Section 4 hereof to the owner, if known, or to the occupant, if any there be; or if the owner is not known or there is no occupant, said notice shall be given pursuant to and in accordance with the provisions of California Health & Safety Code, Division 12, Part 5, Chapter 3, to which reference is hereby made for further particulars.

SECTION 6:

If said work hereinabove referred to in Section 5 shall not be done within ten (10) days after the service, mailing or posting of said notice, it shall be the duty of the Commissioners of said Fire Protection District forthwith to proceed to cause said work to be done. Said Commissioners shall keep a record of said notices, and shall also keep a separate record of the work done on each piece. lot or parcel of land, and the cost of said work.

SECTION 7:

The cost of having said work done shall constitute special assessments against the respective parcels of land, and are a lien on the property for the amount of the respective assesements. A copy of the report of the Board of Fire Commissioners shall be transmitted to the Auditor of the County of Santa Clara, who shall enter the amounts of the respective assessments against the respective parcels of land as they appear on the current assessment roll, and thereafter said amount shall be a lien against said real property and shall be collected at the same time and in the same manner as County taxes are collected, and are subject to the same penalties and the same procedure and sale in case of delinquency as provided for ordinary County taxes.

SECTION 8:

Whenever the word "person" is used in this Ordinance, it shall include and mean corporation, company, firm, partnership, or association of any kind.

SECTION 9:

Any person who obtains a permit mentioned in Section 1 of this Ordinance shall be authorized to set fire to or burn any material mentioned therein in accordance with the terms, provisions and conditions therein contained, and not otherwise. It shall be unlawful for any such person to violate any of the terms, provisions or coonditions of such permit. Regardless of said permit, any person burning any material or setting any fire shall observe all reasonable and proper care and precaution in so doing, and nothing contained in said permit shall relieve or exonerate any such person from civil liability for violation of any legal duty imposed upon him, or for any criminal liability by reason of any violation of law.

SECTION 10:

Any person who violates any of the provisions of this Ordinance shall be guilty of a misdemeanor, and shall be punishable by a fine of not exceeding One Hundred Dollars ($100.00), or by imprisonment in the County Jail of the County of Santa Clara for a period of not exceeding ten (10) days, or by both such fine and imprisonment.

PASSED AND ADOPTED this 14th day of August, 1950, by the Board of Commissioners of the Campbell Fire Protection District of Santa Clara County, California, by the following vote:

AYES: Commissioners, E. LANPHEAR, FRED E. JONES, E. C. MERRILL.

NOES: Commissioners, None.

ABSENT: Commissioners, None.

E. C. MERRILL,
Clerk of said Board.

Aug. 18-25

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Moreland Elementary School District, Route 1, Box 270, San Jose, California, at the office of the clerk of said district at the Moreland Elementary School until eight o'clock p.m. September 2, 1950 at which place and time bids will be opened, for the lease purchase of one rear engine transit school bus with the capacity of 71 elementary school passengers in accordance with the following specifications:

Gross vehicle weight, 24,000 lbs., 195" wheelbase, six (6) 10.00/20 tires, 145 horsepower, 337 cu. in. engine mounted in rear, Westinghouse air brakes, 5-speed transmission.

Complete specifications on file at the office of the principal at the above address.

The above bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol, spare tire included. This bus shall be guaranteed unconditionally for one year.

The Board of Trustees reserves the right to reject any or all bids, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

By order of The Board of Trustees, Moreland Elementary School District.

GEO. D. ROBERTSON, Clerk.

Dated Aug. 12, 1950.

SERVICE NEWS

NAVY RECRUITER

A U. S. Navy Recruiter from the San Jose Station will be in front of the Postoffice in Campbell each Monday from 1 to 3 p.m. Purpose of the visit is to answer questions about the different jobs the Navy has to offer. Also, he will answer all queries about the various reserve programs.

Man in the draft age (18-25) who have received the letter from the local board to report for pre-induction exams, cannot enlist in the Navy.

Bob Knowles, electronics technician second class, is heading for parts unknown when he leaves for San Diego to resume duty aboard the flagship of a submarine squadron. The son of Mr. and Mrs. J. W. Knowles was home Tuesday after completing a two-months' course in electronics at Mare Island.

AIR FORCE CADETS

Captain Ward R. Fowler, aviation cadet pilot and navigator project officer will be in Room 203, Postoffice Building, San Jose on Monday, August 1950 from 8:30 a.m. to 4:30 p.m. for the purpose of interviewing and testing interested applicants.

The following are some of the basic qualifications for Cadet training: Age, 20 to 26½ years; Education, two years college; Marital status, single and remain single during training period; Physical, in the very best physical condition.

Training consists of one year; six months basic flying and six months advanced flying. After completion of training, cadets are commissioned as second lieutenants in the Air Force Reserve and ordered to active duty for a period of three years, during which time they have the opportunity to qualify for commissions in the Regular Air Force.

Outstanding graduates from Cadet Training are given commissions in the Regular Air Force.

DEAN R. CHAMBERLAIN, English and Public Speaking teacher at Campbell High School and director of the Campbell Footlighters, will report Monday for active duty with the US Air Force.

Chamberlain, member of the volunteer reserves, served as control officer during World War II. He started teaching at the local high school in 1939. For several years he was in charge of athletic equipment distribution at Campbell.

Dr. Dan W. Clark, lieutenant (jg) U. S. Navy Medical Corps, has received orders to report for duty this Sunday at Camp Pendleton near San Diego. Diego Naval Hospital and has been visiting here at the home of his mother, Mrs. Nona Clark.

Jim Downing, older son of Mrs. Harold A. Olson, 133 N. Winchester road, is expecting army orders by the end of next week. He took his physical examination at Camp Stoneman. Mr. Downing, who is in the unorganized reserves, served 18 months in Korea in 1947-48, and held the rating of staff sergeant. He received his schooling in Waverly, Iowa, and has been employed as a painter since completing his army services.

A brother, Roy W. "Bill" Downing, reported July 31 at Fort Ord after enlisting in the army motor pool and has since been reassigned to Colorado.

Campbell High School graduate Clark C. Turner, T-Sgt., USAF, has been assigned to the 618th Aircraft Control and Warning Squadron in the far east.

H. W. Poore will be given a free ticket to the Campbell Theater if he will ask for it at the Campbell Press office.

TOO LATE TO CLASSIFY

the rear alleyway and is used by shops served by the alley.

In record time Engines One and Two of the Campbell Volunteer Fire Department turned out to answer the alarm at 11:40 a.m. Engine two was out of the firehouse in one minute, and Engine one was only a few seconds behind. The latter returned to the fire station after the crew found it was not needed.

The fire was extinguished before it could cause serious property damage. Several of the crates went up in flames and the brick wall of the theater was blackened to the roof top.

Mrs. Joseph Svilich spotted the fire as she was leaving the market by the rear entrance. She notified her husband who turned in the alarm.

Firemen said the incinerator has been a source of concern for the past two years and it is hoped that the proposed Fire District ordinance will force the owners to correct the hazard.

In an evening fire earlier this week a truck hauling pears to the local cannery caught fire on the Campbell Avenue bridge. Firemen answered the alarm at 10:15 p.m. Tuesday. No damage was reported.

MARRIAGE LICENSES

Step in...step up in the world!

This is the Chrysler New Yorker Newport . . . the original "hard-top" convertible . . . the car that started today's smartest trend in design. But you've only to see it and drive it to realize *that there still is not another car like it.* No car regardless of price can match the luxury of the materials and appointments in the lovely interiors. Even the Clearbac rear window still stands alone for grace, beauty, and exceptional driver vision. And there's *built-in value all the way through* without equal. Built-in value that will make you a Chrysler buyer from now on. Quality . . . craftsmanship . . . engineering . . . that mean you invest not only in prestige and pleasure, but in lasting satisfaction as well. See this car or any one of the 21 body styles available today!

NEW YORKER NEWPORT . . . with Clearbac rear window

See it—drive it . . . there's built-in value all the way through!

Chrysler Driving Advantages:
Fluid Drive . . . automatic gear shifting with exclusive car control! *High Compression Spitfire Engine* . . . extra power at all speeds. Superfinished parts for longer life. Chemically treated cylinder walls for far greater wear! *Waterproof Ignition System* . . . prevents stalling in flood or storm. *Full Flow Oil Filter* keeps oil clean longer.

Chrysler Comfort Advantages:
Chair Height Seats . . . no crouching on the floor . . . *Functional Design* . . . room for your head, legs, shoulders. Easy to enter and leave. *Center-arm Steering* . . . minimizes road shock, wheel fight. *Rubber Body Mountings* . . . *Floating Power* . . . eliminate vibration, help give softest, smoothest ride in history.

Chrysler Safety Advantages:
Safety Rim Wheels . . . won't throw tires after blowouts at normal speeds. *Constant Speed Windshield Wipers* . . . electrically operated. *Safe Guard Hydraulic Brakes* . . . balanced brake power, smoother stops, less pedal pressure. CYCLEBOND linings for double the wear. *Full vision* . . . wherever you need it.

The Beautiful **CHRYSLER** with Fluid Drive

Local Youths Visit Science Dept. At State College

The Campbell Summer Recreation Program varied its regular mode of activity recently when 55 teen-age members made a trip through the Science Department of San Jose State College.

Dr. Matthew F. Vessel of the department, showed the group a collection of live animals that included hamsters, guinea pigs, a gila monster, snakes and a baby alligator.

Dorothy Wilkinson, faculty member assisting the local summer program, supervised the trip. She was helped by several mothers.

This tour marked the second group from the Campbell Union District to make the trip to the college. Last week, a group of youngsters from San Tomas School, under the supervision of Margaret Enas, visited the department.

Local Scout Troop Active In Council's Hi-Sierra Camp

Three Boy Scout organizations from Campbell, Troops 30, 32, and 36, participated in the extensive camping program this summer at the Santa Clara County Council's Hi-Sierra Camp in the Stanislaus National Forest, according to an announcement made by the Camping and Activities Committee this week.

While at the camp, each scout was able to earn credit towards advancement in rank and the Merit Badge program.

The Hi-Sierra camp program was organized under each troop's own leadership and provided opportunity for training and recreation in waterfront safety, crafts, pioneering, swimming, camping skills, public health, fishing, fly tying, organized games and campfires.

All troops hiked away from the camp for at least one day, camping at the Clavey River, Brown's Meadow, Strawberry Lake or Dodge Meadow.

Parents and leaders of the Scouts provided transportation to camp. In all 409 boy scouts, explorers and leaders participated in the staggered six-week outing.

Well-balanced camp meals were perpared by the Council's veteran camp cook, George Adams of San Jose. Rev. E. M. Stretch, S. J., of Santa Clara, served as camp chaplain.

The camping program of all units operated under the supervision of the Council's Camping and Activities Committee with Robert C. Kirkwood serving as chairman.

POPULAR RECORDS: The big news for the popular record fan is the arrival of the first releases of the Decca '45rpm' records. This is good news indeed and when it is followed by the announcement that Columbia will be issuing their first pop 45's in a few weeks, everybody is happy. This definitely marks the early demise of the bulky, breakable '78rpm' records for anyone who has owned a '45' never wants to go back to the old-fashioned records. The first Decca '45s' cover the hit parade numbers and the new releases. The old standards and pop albums will be issued a fast as possible so it won't be long before you can buy anything you wish on these dainty little doughnut-like discs.

One of the most beautiful ballads to reach my ears in a long time is the deeply moving CAN ANYONE EXPLAIN? (Coral 60253). The Ames Brothers purr soft and sweet throughout and the Moon-In-June kids will sure cuddle closer when they hear this one. Roy Ross ork gives an able assist and the romance fairly drips as the side spins.

Nat "King" Cole, whose recording of MONA LISA is heading the hit parade, gives a warm and glowing treatment to the mood-setting HOME (Capitol 1133). This standard ballad was never more lovely.

DIXIE BY DORSEY contains new versions of eight sturdy Dixieland Favorites played with great gusto by Jimmy Dorsey and his Original "Dorseyland" Jazz Band (Columbia CL 6095). This is exciting and infectious music played in a relaxed light-hearted manner. The trumpet work of Charlie Teagarden is especially outstanding. Selections are Jazz Me Blues, Panama, Tin Roof Blues, High Society, Struttin' With Some Barbecue, Chime Blues, Muskat Ramble and South Rampart Street Parade.

MAN WITH A HORN contains eight Trumpet Solos by such famous Jazzmen as Louis Armstrong Randy Brooks, Bobby Hackett, Roy Eldridge, Billy Butterfield, Muggsy Spanier, Bunny Berigan and Howard McGhee (Decca DL 5191). To a real jazz fan there is no instrument like the trumpet and when eight of the best horn players are neatly wrapped up in one package it's a bargain.

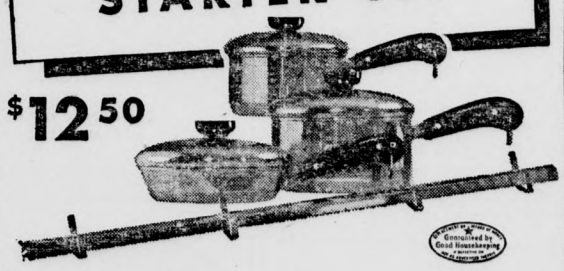

CHILDREN'S RECORDS: The full-bodied thriller TREASURE ISLAND is an adventure story your children won't want to miss. The Robert Louis Stevenson classic story has been made into a movie by the Walt Disney Studio as is presented in a cut version on records. Moppet star Bobby Driscoll is featured in both movie and record versions. The hairbreadth escapes and gory clashes make exciting fare plus all the old magic of the timeless story. (Victor WY-416).

CLASSICAL RECORDS: This is a column of good news this week for what could be better news for the classical record fan than the arrival of the first long-playing records of the fabulous Walter Gieseking. Regardless of what you thing of Gieseking's political ideas, his piano playing is recognized as tops in musical circles. Walter Gieseking brilliantly interprets the BEETHOVEN: CONCERTO NO. 1 in C Major for Piano and Orchestra, Op. 15 (Columbia ML 4307). Gieseking's soft sensuous touch brings out all the beauty in this lovely concerto. It will be a long time before this interpretation of the Concerto No. 1 is equalled let alone topped. To hear it is to have to possess it.

MOZART: SYMPHONY NO. 35 in D Major, the "Haffner" and HANDEL: THE WATER MUSIC are coupled on a new London Long-Playing disc (LLP 214). Eduard Van Beinum conducts the London Philharmonic Orchestra in sympathetic readings of both scores. The "Haffner" is a work of unsurpassable delicacy and fervor and is easily one of the most charming of Mozart's many works. Van Beinum conducts with a light hand bringing out all the gaiety and delicacy of the score. The WATER MUSIC is unquestionably the most famous of all Handel's instrumental works. This is the lightest of music, fit fare for a summer evening on the river or in your own garden. These two recordings are excellent examples of the advantages inherent in the London Full-Frequency-Range-Recording technique.

By JERRY THOMAS

PIGSKIN PERUSING . . . If additional football knowledge and pigskin lore are any indication of a coaching staff's prowess and ability in turning out capable teams, the Campbell High School eleven should acquit itself quite adequately this coming season.

Head Coach Jim Muir and his staff of Backfield Coach Junior Morgan and Line coach George Miskulin will attend the football clinic held at the University of California, Aug. 25-26. Accompanying the trio will be Harold Drummond, head of the physical education department.

The two-day school will feature Pappy Waldorf, head mentor of the Bruins, and his staff.

CRUCIAL CONTEST . . . With Mac's Market and Davenport Electric unbeaten in second half play of the Campbell Softball League, their game Thursday, in all probability, will determine the division champs.

The winner will meet Leon Terrys, champs of the first half, for the league crown.

Davenport has been the surprise team of the league. During the initial half they were the stepping stones for all other teams, winniog one game. Thus far this half, the electricians have swept through all opposition in convincing manner.

Mac's Market can thank Dutch Johnson for their present lofty seat in the loop race. Off hand, the marketmen appear to be the logical choice choice to trip Davenport. But the DE's have a pitcher of their own in Harris who can hold his own in many a league. His earned-run average, though not as low as Johnson's, is still one of the lowest in the loop. Augmenting his pitching talent, Harris has a well-knit defensive club afield.

In their last two games, Davenport committed only one error, Not bad in this era of short bases, hurried throws and speedy runners.

BAND-AID BRIGADE . . . Within a few weeks Campbell softball fans and sundry other comedy-minded individuals will convene at the local softball diamond to witness one of the most intriguing athletic contests ever put forth. No, its not a donkey baseball game. We had that spectacle last month. Something just as amusing, we believe, is in store when the Kiwanis Club meets the Rotary Club in a softball game (?).

With threats, boasts, and idle chatter filling every nook and corner, this column has pledged its neutrality (for its own safety). We gave preference to the Kiwanians simply because K precedes R in the alphabet. Not even Congress has voted to alter the century-old system of letter series. Although several solons insist that I come before U.

The views and opinions stated in the following paragraphs are the direct quotes and thoughts of various Kiwanians and Rotarians and not neceessarily the beliefs of the writer. We are in the proverbial pickle vat. The co-publishers of this newspaper belong to each of the aforementioned organizations, 'nuff said.

Cel Gerevas, recreational supervisor of the Rotarians, (to call him manage would lead to a mass revolt among bona-fide mentor) stated that his group issued the original challenge, contrary to general gab.

Both outfits insist that no ringers be inserted into either lineup. According to certain reliable lamp-posts, Kiwanis has a deal pending to bring in several ringers, plus an assortment of leaners.

The length of the game is a mystery challenging the mental ability of a Jay Clarke. The contest will depend no doubt upon the physical stamina of both rosters. Authoritative medical associations are rumored to have allowed local pharmacies and first-aid stations to bid for the affiliated concessions, selling tape, powder, adhesives and muster-plasters. The fortunate concern will undoubtedly retire to live off the profits reaped.

The Rotary claims that One-Arm Sanders, the rival hurler, is going about town spreading alibis in preparation of his expected failure. On the other foot, cocky, confident Kiwanians are considering the possibility of spotting their "older foes" a four-run handicap, per inning that is.

The handicap will be allowed, so we hear, if the Rotary does not use more than three runners per hitter. Every batter must run two bases, the local spy reports. That is if the hitter is lucky enoough to meet the ball.

This tender missive is being written under the eagle-eyes of Messrs. Barnes and Cassiday, the gents who have the final say around here. Mr. B. is a loyal Kiwanian while his partner, Mr. C., abides by the tenets of Rotary. Me, I have a 13-year-old boy scout knife.

A similar verbal and visual war prevails in a local hardware store where one gent enjoys those Monday luncheons while cohort breaks bread the following day.

Unofficial releases report that Henory Jewell, that gem of a player, will lead the K's onto the field. Some of the other members brave enough to risk an early insurance pay-off are Clarence and Milt Nelson, the grain brains; Joe Gomez, star player for Stanford in the years gone by (he broke his arm chasing a squirrel the first game out — decorated ala carte. Mark Purmot will cavort in roaming center. Any pert skirt in the stands will find him roaming along side. Lowell Benson will be chief bottle opener and ball chaser. Bus Levenberg will play deep center . . . real deep. In his prep days his football coach had no room in his backfield when Bud asked to play a back position. So his coach put him at back, way back.

Norm Corvello will play first base, left field, catcher, take tickets, and act as part-time backstop. There's a slacker in every crowd.

The talented aggregation forming the Rotarian line-up will feature former high school stars and college flashes, according to unbiased, unprejudiced, honest, integrity-bent reports of other Rotary members.

The R's are prepared for all emergencies with Drs. Snyder and Wade on hand, afield and otherwise.

Homer Hyde is scheduled to play also. He has been heard to state that he intends to give them the works (water works, that is). Forrest Reese, the perennial first-sacker noted for his graceful mitt work will anchor the shaky infield. Frank Accardi has the center field post nailed securely. In fact, so confident of his spot, Accardi has ordered a lounge chair with built-in television set to be placed in center field.

Bill Maderis will hold down the keystone sack. Cel Gerevas is slated for mound duty. If his pregame workouts are any indica-

LOCAL SOFTBALL NEWS

"A" LEAGUE—FRIDAY, AUG. 11

Davenport Electric, one of the surprises in second-half play, continued to press for first-place honors by trimming the 7:30 Club, 5 to 3.

The electricians have yet to taste defeat in present play. They are in a virtual tie with Macs Market for loop leadership.

The visitors were held to only four hits by the Clubbers' Olavarri but six 7:30 errors accounted for four Davenport runs. Olavarri himself was guilty of two miscues.

The watts-and-volts crew scored their only earned tally in the third frame on a walk, a hit, and an infield out.

Scoring two runs on three hits in the fourth inning the losers gained aon abbreviated lead.

The fifth and sixth cantos proved the lucky frames as Davenport tallied four times on one isolated single. The reasons for so many runs on a scarcity of safeties are self-explanatory. Six errors have yet to aid any defensive cause.

Davenport	**5-4-0**
7:30 Club	**3-7-6**

'B' 'LEAGUE

In a game that was definitely weird and wild, the Junior Chamber of Commerce outlasted the Farmers' Union, 13 to 12 in an extra-inning contest.

It was a case of "I'll score a dozen and then wait for you" affair with the juniors jumping off to a nine-run lead in the first frame.

To make the long, drawn out tilt brief, the winners enjoyed a 10 t 2 lead going into the final regulation inning. But typical of community amiability, the commerce crew permitted the union to strike for eight runs. Most damaging was the fielding miscues, three of them to be exact, by first-sacker Ken Roberts. He atoned for the lapses made at a foreign position by getting two for three at the plate.

Each club possessed a decade of runs upon the completion of regular play. The farmer boys pushed across two runs in the first extra-frame which under normal game conditions would have assured a victory.

But who said anything about a normal night. The Jr. team retaliated scoring three times in their half of the inning.

Nick Barbaccia stole home for the tyinog run and Ray Harris drove in the winning marker with a bingle to right.

"AA" LEAGUE MONDAY

Behind the unbeatable hurling of Dutch Johnson, Macs Market continued to roll merrily atop the heap. Johnson threw a three-hitter at the 5 Spot clan in winnoing, 4 to 1.

SPORTS

Local Grammar School Leads Pack As Jr. Softball Loop Enters 4th Week

With the Campbell Junior Softball League three weeks old, the Campbell Grammar school is leading the way with three wins and no losses. Three teams are tied for second spot with two wins in three games. They are Earl's Barber Shop, Kiwanis and Jones' Service.

Burbank Recreation Center and the Jr. Oddfellows have the dubious honor of sharing last place with nary a win.

Following is a brief resume of the three games played this past week.

Scoring four runs in each of the first two innings, Kiwanis hung on for an 8 to 3 win over Earl's Barber Shop.

Thanks to the wildness of pitcher Bill Plymale, the winners tallied the f irst-frame runs without the aid of a single hit. Plymale walked the first three matters to face him. Coupled with an additional pass and an error by Founnem, Plymale found himself behind in no little time.

The tonsorial ten tallied twice in the duece frame on two of their three hits. They added another counter in the sixth, although they threatened repeatedly in the latter stages of the game.

EARL'S BARBER SHOP

With runs cheaper by the dozen, Jone's Service annihilated the Burbank Recreation Center by the conclusive tune of 23 to 9.

The power-laden service station crew were gassed with high otane as they limited their footballish scoring to three innings but those frames more than made up for idle moments.

Starting at a slow pace, they scored nine runs in the first two innings on a total of four hits, walks by the gross, and numerous mental errors of omission on the part of the vanquished.

Relaxation prevailed until the final canto when Jones' jockeys climbed on and over the Center's hurler, Mutnick, for 14 runs. First sacker Gazay proved to be the batting star as he banged out two homers in the hectic inning.

On the mound, Galabray allowed only one hit but his failure to control his stuff cost him the nine

Best way to spruce up a telephone is with a soft, dry cloth...never with water, or any other liquid.

HOW TO TREAT YOUR TELEPHONE

Suggestions to help protect your service

1. A twisted cord can lead to trouble. Although the wires are especially designed for flexibility, too many twists and kinks may eventually break them and interfere with service until a repairman can call. Good idea to get the curls out by letting the receiver dangle and unwind by itself . . . then keep them out by remembering, each time you call, not to put turns in the cord as you handle the receiver.

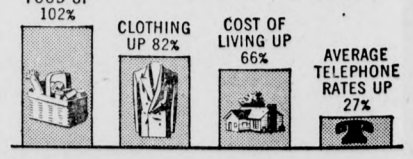

2. It's built to take it . . . but your telephone can develop ailments if it's dropped. So make sure the stand it sits on is solid and is in a spot where it won't be accidentally bumped. Other ways to help protect service: Avoid "gadget" attachments for your telephone . . . keep cords clear of doorways where they may be pinched . . . and always keep water away from wires and fittings.

3. Did you ever stop to think that your telephone is one service or piece of equipment in your home that's repaired and maintained for life at no extra cost to you? It's one of the values included in the rates you pay for service . . . rates that make your service a real bargain today. For the telephone takes an even smaller part of the family budget than it did ten years ago. On the average, rates have gone up less than half as much as the cost of living generally.

Pacific Telephone

PRICE INCREASES SINCE 1940 IN TERRITORY WE SERVE

Your telephone is one of today's best bargains

Vacation Memories

The trip you've dreamed of for years . . . bring it all back in pictures.

You can't repeat those vacation photographs. Be sure each one is perfect and then bring them to Webbs for expert finishing. You'll be delighted with the results. For everything photographic, try Webbs first.

More About Softball News

(Continued from Page Six)

The Spotters only tally came in the second frame on an error by shortstop Cyle and an ensuing single.

Scoring the tying run in the third, the macmen went ahead in the fourth by scoring once two hits and a walk. Insurance runs were tallied in the following frames.

Dutch continued his strikeout mastery over rival teams. He whiffed 16 batters Monday evening to run his total to 82 in 39 innings. Quite an achievement in any man's loop. He sent 15 batters back to the bench via the K route last week.

Macs Market 4-5-1
5 Spot 1-3-2

"B" LEAGUE

A single in the first frame was the only hit given up by VFW chucker Bergotoli as his team blanked the Farmers Union, 10 to 0.

The game to all purposes was over after the opening inning as the veterans scored four runs on three hits and three walks with an error sandwiched in.

They were satisfied with only one marker in the second but the third frame found them tallying five times on three safeties and three more walks.

The union was aroused once and that was when they amassed their solitary hit. A walk and an error loaded the sacks but Bergotoli fanned Finkbeiner.

Bergotoli kayoed six batters and passed only two while his opponent, Keever was touched for nine safeties and seven walks. He registered three strikeouts.

VFW 10-9-1
Unoin 0-1-2

"A" LEAGUE TUESDAY

Davenport Electric scored at will practically as they soundly trounced the winless Saratoga Merchants, 14 to 1.

Chucker Harris had an easy time, allowing three bingles, fanning three and giving up one walk, which in itself is an achievement, but for sure.

In the first four innings, the electricians tallied nine times on seven hits. They scored four runs in the sixth to appease their batting averages and convince any dubious merchants.

Davenport 14-10-1
Merchants 0-3-5

"B" LEAGUE

Another undefeated club fell with an echoing thud as Netops succumbed to the Oddfellows, 12 to 10.

The winners quickly settled any doubtful issue in the first frame as they tallied nine runs on five hits. Three walks and a couple of miscues greatly added to the cause.

Not satisfied with their gluttonlike run behavior, the Oddfellows added three more runs in the second on three singles and an everpresent error. From this point on they played dead fellow but the barn was burned though the toppers tried to salvage some timber in later innings.

They picked up three runs in the third and one in the fourth and in a belated rally, they scored six runs in the last inning. With their unbeaten string facing an abrupt cutting they collected five hits and the opposing hurler, Olson accommodated with a hitbatsman and a walk. But the Netop club was to be denied.

Oddfellows 12-10-2
Netops 10-9-6

"A" LEAGUE WEDNESDAY
(open date)

"B" LEAGUE

American Legion moved into a virtual tie for first place as they hung on and battled against a last-inning rally to defeat Campbell Hardware, 5 to 4.

For the greater part of the game, the legionites had things well under control. They started fast by scoring two runs in the first inning without the benefit of a hit. Two walks proved to be their fortune. They increased their lead in the fourth by adding a single tally. Campbell scored once in the third.

In the final frame, to all intents and purposes, the legionnaires wrapped up the contest by securing two more runs. But the paint-and-brush crew refused to lie down and die. They tallied three runs to make the score 5 to 4.

Dewey started the uprising by waiting Tony Strong out for a walk. M. Strong went out second to first and D. Whiteher fanned. With two out and only one man on base everything appeared according to Hoyle. But W. Kosich kept the game alive by singling to left. D. Berrens followed suit with another one-baser. Scartino got on through an error. Asavido singled and before the legion woke up the tying and winning runs were on the bases.

They had no time to secure aid from the nearby convention but managed to curtail the revolt by their lonesome as Cocker grounded out, pitcher to first.

American Legion 5-4-1
Campbell Hdwe. 4-5-1

"A" LEAGUE THURSDAY

The Purple Knights knifed their way to an easy 10 to 4 win over a faultering Maderis Market club, settling the issue with a five-run outburst in the fourth inning.

The marketmen were able to muster only two hits off the slants of the Lancers' pitcher. They came in the first frame when the losers scored two runs. The deep orchid boys tied the count with single tallies in the first and second stanzas.

Two hits, two walks, and an error contributed to the five-run fourth. To remove all doubt that may have lingered in the minds of the diehards, the Knights added four safety runs in the final frame.

Purple Knights 10-5-4
Maderis Market 4-2-1

"B" LEAGUE

Bettencourt Markets remained in the tihick of the pennant race by trimming ever-ready Jeffers, 8 to 2.

For four frames the tilt was closely contested with the winners hanging on the precarious 2 to 1 lead. Then a hit and three walks set the dramatic stage for a grand-slam homer by J. Visca. The blow rendered Jeffers helpless, per usual, although they managed to score one run in their half of the inning.

Bettencourts 8-6-2
Jeffers 2-7-2

More Sport Shorts

(Continued from Page Six)

tion of his pitching prowess, we are sure he is slated for a mound; certain size, certain shape.

Doby Jeffers has won the buck short post. In dire need of a little practice, the eager Jeffers is in earnest search of a short bucking post . . . maybe a pensioned pogo stick?

The players and respective positions are not final by any means. Both organizations declare that replacements may be brought up from the numerous farm clubs situated in Southern Siberia and Northern Newfoundland. In addition, so our rebel reports, as players collapse, fellow connivers will spring into the fray, only to be in turn replaced. There's plenty room at O'Connor's.

It has been overheard that the two adversaries may reach an agreement whereas no more than 15 men may play at one time. Fifteen per team, that is.

Shuttle service will be maintained from the field to the bench for the benefit of those who can't see the field and those who can't distinguish between a bingle and a bagle. Radar, geiger counters, and sonor systems are taboo but handtapping, osemaphore, & blinker will be tolerated from the coaching lines only.

Players who have to be home by 9:30 will be allowed to take their turn at bat first. Batchelors are requested to remain after the melee and pick up loose teeth, lost dentures, and other personal accessories, and guide the umpires safely home.

The day after the game, each and every player (shall we say contestant) will return to work (if possible) firmly convinced that he, and he alone, was the game's outstanding performer. After all, didn't he hold that slugger to a triple when the ball was bunted to him at third base? Besides, his wife thinks a bleacher-rite is a recent blond that got away with it, and knows for nothin' about the game. Hubby and her are even.

Liniment is served in the bedroom, sir.

Local Elementary School Cinches Summer League

Boasting the longest winning streak in local diamond play, Campbell Elementary School, with 10 consecutive victories, has cinched the Summer Recreational Baseball League.

Only four more games remain on the docket. In second place, Moorpark claims four wins as against six losses. San Tomas, the hard-luck club of the three-team loop, is embedded deep in the cellar with only one win and nine losses.

Players for the Moorpark team include Frank Rogers, K. Beth, Larson, Sammy Myers, Lloyd Myers, Caginoia, Hines, Gallego, Foglia, Neily, Hanseon, Kraylevich, Siles and Slayton.

Final Swimming Session Set for Monday, Aug. 21

A third and final swimming session for local elementary school students will begin Monday, August 21. It will be a short course of five lessons with both new students and children with former instruction being eligible.

Two swim sessions have been completed this summer, according to Neal Royer, program director. More than 250 students have participated thus far.

Any interested youth may register with recreation leaders at Campbell, Moorpark, or San Tomas schools by contacting Mr. Ryer at 41 N. 1st street, phone 2520

A five-run opening inning proved enough margin for the Campbell Grammar school as they bested Burbank in a close contest, 7-4.

The locals' ace pitcher, B. Hill, limited the recreation club to two hits, one in the first and the other in the second canto. But wildness, a common trait among these young chuckers and some of the older boys as well, ruined Hill's chore. He ticketed to first base seven men.

Walks proved the downfall of opposing hurler Daville. He gave up four passes in the first frame that did the damage. Two timely hits and a boot furnished the clincher.

MORE TAXES, NOT LESS

Like a bombshell exploding in an ammunition dump, the Korean crisis has blown tax relief hopes for America sky-high.

In rapid-fire order, Congress and the President have delivered a series of messages making it clear that taxes are going up—not down.

To the Far West, on the matter of excise taxes, specifically in reference to those on transportation and communications, it means continued rate discrimination against agriculture, business and industry —in fact, against the entire western economy — unless Congress takes remedial action.

INCOME TAXES UP?

On the broad front, however, this much the Nation's taxpayers can expect. Corporate taxes undoubtedly will lead the increase parade. Personal income taxes probably will be raised very soon —just as soon as the November elections are passed—for individual income taxes provide the bulk of revenue. It is quite likely also that an excess profits tax of stringent proportions will be imposed sometime in 1951. There is a possibility that estate and gift taxes will be boosted, too.

With tire prices climbing, pork chops and beefsteak hitting around a dollar a pound, sheets, bread, coffee, and sugar beginning to climb in price, tax increases are only a part of the story, however. For there is every indication that the ugly whirl of inflation is apt to be set in motion again. Dollars are not going to buy as much.

60-CENT DOLLAR

Fiscal experts report that figuring the cost-of-living dollar at 100 cents in 1941, even now it is down to 60 cents with every prospect of going lower. One source estimates that before 1950 has run its course, the cost-of-living dollar will again be down to 57 cents of its 1941 value.

It all adds up to the fact that the cost of living is rising. How much it rises will depend partly on how heavy a new tax burden is imposed—partly, too, on whether people allow themselves to be stampeded into panic buying which forces prices up.

NOT ALL KOREA

It is extremely important, however, that the Korean crisis not be permitted to cloud over the fact that federal spending was headed upward even beforeo the present situation. In fact it has been climbing slowly the past two years. It was only the fact that the Nation's economy had worked its way out of World War II shortages and maladjustments that the cost of living began working its way down to more normal levels.

With stepped-up military requirements, the reversed trend can be expected to continue—with prices up and taxes jumping. That is the price the Nation must pay economically to keep faith and help provide world peace. If sane, clear-thinking heads prevail, the challenge can be met.
